

## Consent Form (User Testing)

Title of Project: Campus Errand Service System Based on a Closed Virtual Currency Mechanism

Name of Project Student: Xinyi Wang

*Initial the box if you agree with the statement to the left*

- |   |                                                                                                                                                                                                                                                                                                                             |    |
|---|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| 1 | I confirm that I have read and understood the Project Information Sheet dated <u>11 August 2026</u> and have had the opportunity to ask questions about the project.                                                                                                                                                        | WX |
| 2 | I understand that my participation is voluntary and that I am free to withdraw at any time without giving any reason and without there being any negative consequences. In addition, should I not wish to answer any particular question or questions, I am free to decline. Questions may be sent to pftd0810@leeds.ac.uk. | WX |
| 3 | I understand that my responses will be kept strictly confidential.<br>I understand that my name will not be linked with the project materials, and I will not be identified or identifiable in the report or reports that result from the project.                                                                          | WX |
| 4 | I agree that my anonymised responses may be used for this COMP5200M MSc Project dissertation and its assessment, but not for unrelated future research without further consent.                                                                                                                                             | WX |
| 5 | I agree to take part in the above project and will inform the project student should my contact details change.                                                                                                                                                                                                             | WX |

|                       |                           |                       |
